# At the Park 2

Auntie Rosie smiled at Jack and Lilly.

"Are we going to the park?" Jack asked.

"Can I ride my bike?" Lilly asked.

"Yes, we're going to the park. Jack and I will walk and Lilly can ride her bike."

Auntie Rosie and Jack walked and talked.

Lilly rode her red bike in front of them.

On the way they saw six white cockatoos in a tall gum tree.

At the park Lilly played on the swings and Jack slipped down the slide.

They all kicked the soccer ball. "Did you bring any snacks in your backpack?" Auntie Rosie asked.

# I Feel Sick 2

"I feel sick, mum. I feel sick in the stomach.  
I feel like I'm going to be sick right now."

Jack's mum looked at him. She put her hand on his face. "Your face feels hot, Jack," she said.

Jack closed his eyes. "I can't go to school today, mum," Jack said.

"No, you can't go to school Jack. I'll ring the doctor now."

Jack's mum rang  
Doctor Smith's office.

"Can I bring Jack to  
see Doctor Smith this  
morning?" she asked.

# The Big Carrot 3

Every week the carrots grew bigger and bigger under the ground. Every week the little leaves like green feathers grew bigger above the ground. One carrot grew bigger than all the other carrots.

One day the man looked at the carrots. He said, "I'm hungry. I'm going to pull the biggest carrot out of the ground. Then I'm going to wash it and eat it." He bent down and pulled the green feathery leaves

of the carrot. He pulled and pulled. The carrot stayed under the ground. The man pulled and pulled...
